as Representatives of the several Underwriters

Dear Sirs and Madams:

Pursuant to the terms and conditions of this Underwriting Agreement (this "Agreement"), Trinity Capital Inc., a Maryland corporation (the "Company") proposes to sell to you, Keefe, Bruyette & Woods, Inc. ("KBW"), Wells Fargo Securities, LLC ("Wells Fargo") and UBS Securities LLC ("UBS") and each of the other underwriters named in Schedule A hereto (collectively, the "Underwriters," which term shall also include any underwriter substituted as hereinafter provided in Section 8 hereof), for whom KBW, Wells Fargo and UBS are acting as representatives (in such capacity, the "Representatives"), 2,754,840 shares (the "Initial Shares") of the Company's common stock, par value \$0.001 per share (the "Common Stock"). The Company also proposes to grant to the Underwriters the option described in Section 1(b) hereof to purchase up to 413,226 additional shares of Common Stock from the Company (the "Option Shares" and together with the Initial Shares, the "Shares").

The Company understands that the Underwriters propose to make a public offering of the Shares as soon as the Underwriters deem advisable after this Agreement has been executed and delivered. As used herein, the "Offering" means the offer and sale of the Initial Shares and any Option Shares.

The Company has filed with the Securities and Exchange Commission (the "Commission") a shelf registration statement on Form N-2 (No. 333-261782), as amended, and a related prospectus for the registration of the Shares under the Securities Act of 1933, as amended (the "Securities Act"), and the related rules and regulations of the Commission thereunder. The registration statement, which contains a base prospectus dated January 27, 2022 (the "Base Prospectus"), as it may have heretofore been amended at the time it became effective, including all documents filed as a part thereof, including the information (if any) deemed to be part of the registration statement at the time of effectiveness pursuant to Rule 430B and Rule 424(b) under the Securities Act, and any post-effective amendment filed pursuant to Rule 462(b) under the Securities Act, is hereinafter referred to as the "Registration Statement" became effective on January 27, 2022. The Company has also prepared and filed with the Commission a preliminary prospectus supplement dated April 4, 2022 (the "Preliminary Prospectus Supplement," and together with the Base Prospectus, the "Preliminary Prospectus"). The Company will prepare and file a final prospectus supplement with the Commission pursuant to Rule 424(b) under the Securities Act after the execution and delivery of this Agreement that supplements the Base Prospectus with respect to the offer and sale of the Shares (the "Final Prospectus Supplement"). The Final Prospectus Supplement and the Base Prospectus are hereinafter referred to collectively as the "Final Prospectus".

Any “issuer free writing prospectus” (as defined in Rule 433 under the Securities Act) relating to the offering of the Shares contemplated by this Agreement is hereinafter called an “Issuer Free Writing Prospectus.” As used herein, “Road Show” means a “road show” (as defined in Rule 433 under the Securities Act) relating to the offering of the Shares contemplated by this Agreement that is a “written communication” (as defined in Rule 405 under the Securities Act). All references to the Registration Statement, the Preliminary Prospectus, the Final Prospectus, any Issuer Free Writing Prospectus or any amendment or supplement to any of the foregoing shall be deemed to include all exhibits and annexes thereto and the copy filed with the Commission pursuant to its Electronic Data Gathering, Analysis and Retrieval system (“EDGAR”). “Testing-the-Waters Communication” means any oral or written communication with potential investors undertaken in reliance on Section 5(d) of the Securities Act. “Written Testing-the-Waters Communication” means any Testing-the-Waters Communication that is a written communication within the meaning of Rule 405 under the Securities Act. “Permitted Written Testing-the-Waters Communications” means the Written Testing-the-Waters Communications, if any, listed on Schedule B hereto.

The Company hereby confirms that it has authorized the use of the Preliminary Prospectus and the Final Prospectus by the Underwriters in connection with the Offering.

The Company and the Underwriters hereby agree as follows:

1. Sale and Purchase.

(a) *Initial Shares.* Upon the basis of the representations and warranties and other terms and conditions set forth in this Agreement, the Company agrees to sell and to issue to the Underwriters the Initial Shares and each Underwriter agrees, severally and not jointly, to purchase from the Company, at a purchase price of \$17.424 per share (the “Purchase Price”), that number of Initial Shares set forth in Schedule A opposite the name of such Underwriter, plus any additional number of Initial Shares that such Underwriter may become obligated to purchase pursuant to the provisions of Section 8 hereof, subject, in each case, to such adjustments among the Underwriters as the Representatives, in their sole discretion, shall make to eliminate any sales or purchases of fractional shares.

(b) *Option Shares.* Upon the basis of the representations and warranties and other terms and conditions set forth in this Agreement, the Company hereby grants an option to the Underwriters, severally and not jointly, to purchase from the Company up to an additional 413,226 shares of Common Stock at the Purchase Price per share, less an amount per share equal to any dividends or distributions declared by the Company and payable on the Initial Shares but not payable on the Option Shares made in connection with the Offering of the Initial Shares. The option granted by this Section 1(b) will expire 30 days after the date hereof and may be exercised in whole or in part from time to time in one or more (but not more than three) installments, including at the Closing Time, upon written notice by the Representatives to the Company setting forth the number of Option Shares as to which the Underwriters are then exercising the option and the time and date of payment for and delivery of such Option Shares in book-entry form. Any such time and date of payment for and delivery of such Option Shares shall be determined by the Representatives, but shall not be later than five (5) full business days, nor earlier than two (2) full business days after the exercise of such option, nor in any event prior to the Closing Time, unless otherwise agreed in writing by the Representatives and the Company (any such date, a “Secondary Closing Date”).

2. Payment and Delivery.

(a) *Initial Shares.* The closing of the Underwriters’ purchase of the Initial Shares shall be held at the office of Ropes & Gray, LLP, 1211 Avenue of the Americas, New York, New York 10036 (unless another place shall be agreed upon by the Representatives and the Company). At the closing, subject to the satisfaction or waiver of the closing conditions set forth in this Agreement, payment of the aggregate Purchase Price of the Initial Shares shall be made to the Company by wire transfer of immediately available funds to the bank accounts designated by the Company against delivery to the Representatives through the facilities of The Depository Trust Company (“DTC”) for the respective accounts of the Underwriters of the Initial Shares and Option Shares, if any, to be purchased by them. It is understood that each Underwriter has authorized the Representatives, for its account, to accept delivery of, receipt for, and make payment of the aggregate Purchase Price for, the Initial Shares and Option Shares, if any, which it has agreed to purchase. The Representatives may (but shall not be obligated to) make payment of the purchase price for the Initial Shares or Option Shares, if any, to be purchased by any Underwriter whose funds have not been received by the Closing Time but such payment shall not relieve such Underwriter from its obligations hereunder. Such payment and delivery shall be made at 10:00 a.m., New York City time, on the second (2nd) business day after the date hereof (unless another time, not later than ten (10) business days after such date, shall be agreed to by the Representatives and the Company) (the “Closing Date”). The time at which such payment and delivery are actually made on the Closing Date referred to herein as the “Closing Time.”

(b) *Option Shares*. The closing of the purchase by the Underwriters of the Option Shares shall occur from time to time (but on no more than three occasions, including at the Closing Time) at the offices of Ropes & Gray, LLP, 1211 Avenue of the Americas, New York, New York 10036 (unless another place shall be agreed upon by the Representatives and the Company). On the applicable Secondary Closing Time, subject to the satisfaction or waiver of the closing conditions set forth in this Agreement, the Representatives shall pay to the Company the aggregate applicable purchase price for the Option Shares then purchased by the Underwriters at the Secondary Closing Time by wire transfer of immediately available funds against the Company's delivery of the Option Shares. Such payment and delivery shall be made at 10:00 a.m., New York City time, on each Secondary Closing Time. The Option Shares shall be delivered in book-entry form through the facilities of DTC, in such names and in such denominations as the Representatives shall specify. The time at which payment by the Representatives for and delivery by the Company of any Option Shares are actually made is referred to herein as a "Secondary Closing Time."

The Company shall furnish to the Representatives, without charge, as many copies of any Issuer Free Writing Prospectus prepared by or on behalf of, used by or referred to by the Company as the Representatives may reasonably request. If at any time when a prospectus is required by the Securities Act to be delivered (whether physically or through compliance with Rule 172 under the Securities Act or any similar rule) in connection with sales of the Shares (but in any event if at any time through and including the Closing Date) there occurred or occurs an event or development as a result of which any Issuer Free Writing Prospectus prepared by or on behalf of, used by, or referred to by the Company conflicted or could conflict with the information contained in the Registration Statement, the Preliminary Prospectus or the Final Prospectus or included or could include an untrue statement of a material fact or omitted or could omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances prevailing at such time, not misleading, the Company shall promptly amend or supplement such Issuer Free Writing Prospectus to eliminate or correct such conflict so that the statements in such Issuer Free Writing Prospectus as so amended or supplemented will not include an untrue statement of a material fact or omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances prevailing at such time, not misleading, as the case may be; provided, that prior to amending or supplementing any such Issuer Free Writing Prospectus, the Company shall furnish to the Representatives for review, a reasonable amount of time prior to the proposed time of filing or use thereof, a copy of such proposed amended or supplemented Issuer Free Writing Prospectus, and the Company shall not file, use or refer to any such amended or supplemented Issuer Free Writing Prospectus without the Representatives’ prior written consent.

(d) The Company shall furnish such information as may be required and otherwise to cooperate in qualifying the Shares for offer and sale under the securities or blue sky laws of such states and other jurisdictions as the Representatives may reasonably designate, or as required for the Offering to maintain such qualifications in effect as long as required by such Laws for the distribution of the Shares; *provided, however*, that the Company shall not be required to qualify as a foreign corporation or other foreign entity or to consent to the service of process under the Laws of, or subject itself to taxation as doing business in, any such state or other jurisdiction (except service of process with respect to the offering and sale of the Shares).

(e) The Company shall furnish or deliver to the Underwriters, without charge, signed copies of the Registration Statement as originally filed and of each amendment thereto (including exhibits filed therewith or incorporated by reference therein) and signed copies of all consents and certificates of experts, and will also, upon request, deliver to the Underwriters, without charge, a conformed copy of the Registration Statement as originally filed and of each amendment thereto (without exhibits). The copies of the Registration Statement and each amendment thereto furnished to the Underwriters shall be identical to the electronically transmitted copies thereof filed with the Commission pursuant to EDGAR, except to the extent permitted by Regulation S-T.

(f) The Company shall deliver to the Underwriters, without charge, as many written and electronic copies of the Preliminary Prospectus and the Final Prospectus as the Underwriters reasonably requests, and the Company hereby consents to the use of such copies for purposes permitted by the Securities Act. The Company shall furnish to the Underwriters, without charge, prior to 5:00 p.m., New York City time, on the business day next succeeding the date of this Agreement and from time to time thereafter during the period when the Final Prospectus is required to be delivered in connection with sales of the Shares under the Securities Act or the Exchange Act or in lieu thereof, the notice referred to in Rule 173(a) under the Securities Act, such number of written and electronic copies of the Final Prospectus (as amended or supplemented) as the Underwriters may reasonably request. The Final Prospectus and any amendments or supplements thereto furnished to the Underwriters shall be identical to the electronically transmitted copies thereof filed with the Commission pursuant to EDGAR, except to the extent permitted by Regulation S-T.

(g) If at any time following the distribution of any Permitted Written Testing-the-Waters Communication there occurred or occurs an event or development as a result of which such Permitted Written Testing-the-Waters Communication included or would include an untrue statement of a material fact or omitted or would omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances existing at that subsequent time, not misleading, the Company shall promptly notify the Representatives and, upon the Representatives' request, shall promptly amend or supplement, at its own expense, such Permitted Written Testing-the-Waters Communication to eliminate or correct such untrue statement or omission.

(h) The Company shall advise the Representatives promptly, confirming such advice in writing, of: (i) the happening of any event known to the Company which, in the judgment of the Company in consultation with its legal counsel, would require the making of any change in the Final Prospectus then being used so that the Final Prospectus would not include an untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in the light of the circumstances under which they are made, not misleading; and (ii) the receipt of any notification with respect to the modification, rescission, withdrawal or suspension of the qualification of the Shares, or of any exemption from such qualification or from registration of the Shares, for offering or sale in any jurisdiction, or of the initiation or threatening of any proceedings for any of such purposes, and, if any Governmental Authority should issue any such order, the Company shall use its commercially reasonable efforts to obtain the lifting or removal of such order as soon as possible.

(i) The Company shall apply the net proceeds from the sale of the Shares in the manner set forth under the caption “Use of Proceeds” in both the Disclosure Package and the Final Prospectus.

(j) The Company shall engage and use its commercially reasonable efforts to maintain, at its expense, a registrar and transfer agent for the Shares.

(k) The Company shall use its commercially reasonable efforts to effect and maintain the listing of the Common Stock (including the Shares) on the Nasdaq Global Select Market.

(l) The Company shall not take, and shall use its best efforts to ensure that no affiliate of the Company will take, directly or indirectly, any action designed to cause or result in or which constitutes or might reasonably be expected to constitute stabilization or manipulation of the price of the Shares or any reference security with respect to the Shares, whether to facilitate the sale or resale of the Shares or otherwise, and the Company shall, and shall cause each of its affiliates to, comply with all applicable provisions of Regulation M.

(m) The Company shall make generally available (within the meaning of Section 11(a) of the Securities Act) to its security holders and to the Underwriters as soon as practicable an earnings statement (in form complying with the provisions of Rule 158 under the Securities Act and satisfying the provisions of Section 11(a) of the Securities Act) covering a period of at least 12 consecutive months beginning with the first fiscal quarter of the Company occurring after the effective date of the Registration Statement; provided that the Company will be deemed to have complied with such request by filing such an earnings statement on EDGAR.

(n) The Company shall pay all expenses, fees and taxes in connection with: (i) the preparation, printing and filing with the Commission of each Preliminary Prospectus, the Disclosure Package, the Final Prospectus, any Issuer Free Writing Prospectus, any Permitted Written Testing-the-Waters Communication, and any amendments or supplements thereto, and the printing and furnishing of copies of each thereof to the Underwriters (including costs of mailing and shipment) and the filing thereof with the Commission; (ii) the preparation, sale, issuance and delivery of the Shares, including any stock or other transfer taxes or duties payable upon the sale of the Shares to the Underwriters; (iii) the printing of this Agreement and any dealer agreements, and the reproduction and/or printing and furnishing of copies of each thereof to dealers (including costs of mailing and shipment); (iv) the registration of the Shares with the Commission for offering and sale and the registration and/or qualification of the Shares for offering and sale under state Laws and the determination of their eligibility for investment under state Law as aforesaid (including any filing fees and fees and disbursements of the Underwriters’ counsel in connection therewith), and the printing and furnishing of copies of any blue sky surveys or legal investment surveys to the Underwriters and to dealers; (v) all fees and disbursements of counsel and accountants for the Company; (vi) the fees and expenses of the transfer agent and registrar for the Common Stock; (vii) costs of background investigations; (viii) the reasonable costs and expenses incurred by the Company in connection with the marketing of the Shares, including all reasonable and documented “out of pocket” expenses, Road Show costs and expenses (regardless of the form in which the Road Show is conducted), expenses related to any Permitted Written Testing-the-Waters Communication or any Testing-the-Waters Communication, and expenses of personnel of the Company, including but not limited to commercial or charter air travel, local hotel accommodations and transportation; (ix) the fees and expenses incurred in connection with listing the Shares on the Nasdaq Global Select Market; and (x) the performance by the Company of the Company’s other obligations hereunder.

(o) The Company shall use commercially reasonable efforts in cooperation with the Representatives to obtain permission for the Shares to be eligible for clearance and settlement through DTC.

(p) For a period of 60 days from the date of the Final Prospectus (the “Lock-Up Period”), the Company shall not, without the prior consent of the Representatives, directly or indirectly: (i) offer, pledge, sell, contract to sell, sell any option or contract to purchase, purchase any option or contract to sell, grant any option, right or warrant to purchase, lend or otherwise transfer or dispose of any shares of Common Stock or preferred stock or other capital stock (collectively, “Capital Stock”) or any securities convertible into or exercisable or exchangeable for Common Stock or other Capital Stock (except pursuant to registrations on Form S-8 or Form N-14 or any similar or successor form under the Securities Act, or otherwise pursuant to the Company’s distribution reinvestment plan, the 2019 Trinity Capital Inc. (q) The Company shall comply with the Securities Act and the Exchange Act so as to permit the completion of the distribution of the Shares as contemplated by this Agreement, the Registration Statement, the Disclosure Package and the Final Prospectus. Without limiting the generality of the foregoing, the Company shall, during the period when a prospectus relating to the Shares is required by the Securities Act to be delivered (whether physically or through compliance with Rule 172 under the Securities Act or any similar rule), file on a timely basis with the Commission and the Nasdaq Global Select Market all reports and documents required to be filed under the Exchange Act.

(r) The Company shall furnish to the Representatives, during the period referred to in Section 4(b), not fewer than two (2) business days before filing with the Commission, a copy of the most current draft at such time of any document proposed to be filed with the Commission pursuant to Section 13, Section 14 or Section 15(d) of the Exchange Act.

(s) The Company represents and agrees that, without the prior consent of the Representatives, it has not made and shall not make any offer relating to the Shares that could constitute an Issuer Free Writing Prospectus; any such Issuer Free Writing Prospectus the use of which has been consented to by the Company and the Representatives is listed on Schedule C hereto.

(t) The Company has complied and shall comply with the requirements of Rule 433 under the Securities Act applicable to any Issuer Free Writing Prospectus, including timely filing with the Commission or retention where required and legending; the Company represents that it has satisfied and agrees that it shall satisfy the conditions under Rule 433 under the Securities Act to avoid a requirement to file with the Commission any electronic “road show” (as defined in Rule 433 under the Securities Act).

(u) The Company shall not take any action that would prevent the Underwriters from purchasing the Company’s equity securities in the secondary market to cover short positions entered into pursuant to the Underwriter’s market facilitation activities in connection with the transactions contemplated hereunder.

(v) For a period of five (5) years following the Closing Date, the Company shall furnish as soon as practicable to the Representatives at Keefe, Bruyette & Woods, Inc., 787 7th Avenue, 4th Floor, New York, New York 10019, Attention: Capital Markets, Wells Fargo Securities, LLC, 500 West 33rd Street, New York, New York 10001, Attention of Equity Syndicate, fax no. 212-214-5918 (with such fax or other electronic means to be confirmed by telephone to 212-214-6144) and UBS Securities LLC, 1285 Avenue of the Americas, New York, New York 10036, Attention: Syndicate, Fax: 212-713-3371, to the extent not furnished or filed with the Commission, copies of all reports or other communications (financial or other) furnished generally to holders of its securities, copies of any reports and financial statements furnished to or filed with the Commission or any national securities exchange on which any class of securities of the Company is listed and such additional information concerning the business and financial condition of the Company as the Representatives may from time to time reasonably request (such financial statements to be on a consolidated basis to the extent the accounts of the Company and the Subsidiaries are consolidated in reports furnished to its stockholders generally or to the Commission).

(w) The Company shall have in place and maintain a system of internal accounting controls sufficient to provide reasonable assurance that (i) transactions are executed in accordance with management’s general or specific authorizations, (ii) transactions are recorded as necessary to permit preparation of financial statements in conformity with GAAP and to maintain asset accountability, (iii) access to assets is permitted only in accordance with management’s general or specific authorization, and (iv) the recorded accountability for assets is compared with the existing assets at reasonable intervals, and appropriate action is taken with respect to any differences.

As used herein, the term “electronic Prospectus” means a form of Preliminary Prospectus, Issuer Free Writing Prospectus or Final Prospectus, and any amendment or supplement thereto, that meets each of the following conditions: (A) it shall be encoded in an electronic format, satisfactory to the Underwriters, that may be transmitted electronically by the Underwriters to offerees and purchasers of the Shares, (B) it shall disclose the same information as such paper Preliminary Prospectus, Issuer Free Writing Prospectus or Final Prospectus, as the case may be, and (C) it shall be in or convertible into a paper format or an electronic format, satisfactory to the Underwriters, that will allow investors to store and have continuously ready access to such Preliminary Prospectus, Issuer Free Writing Prospectus or Final Prospectus at any future time, without charge to investors (other than any fee charged for subscription to the Internet generally). The Company hereby confirms that, if so requested by the Underwriters, it has included or will include in the Final Prospectus filed with the Commission an undertaking that, upon receipt of a request by an investor or his or her representative, the Company shall transmit or cause to be transmitted promptly, without charge, a paper copy of such paper Preliminary Prospectus, Issuer Free Writing Prospectus or Final Prospectus to such investor or representative.

6. Termination.

(a) The obligations of the Underwriters hereunder shall be subject to termination in the absolute discretion of the Representatives at any time prior to the Closing Time or any Secondary Closing Time, as applicable, if (i) any of the conditions specified in Section 5 hereof shall not have been fulfilled in all material respects when and as required by this Agreement to be fulfilled, (ii) trading in securities in general on the New York Stock Exchange or the Nasdaq Global Select Market shall have been suspended or minimum prices shall have been established on such exchange or quotation system, (iii) there has been a material disruption in the securities settlement, payment or clearance services in the United States, (iv) additional material governmental restrictions, not in force on the date of this Agreement, have been imposed upon the sale or trading in securities, (v) a banking moratorium shall have been declared either by the United States or New York State authorities, (vi) any outbreak or escalation of hostilities or other calamity, terrorist activity, crises or any change or development involving a prospective change in national or international political, financial, economic or other conditions or (vii) declaration by the United States of a national emergency or war or other calamity shall have occurred, the effect of any of which is such as to make it, in the sole judgment of the Representatives, impracticable or inadvisable to market the Shares on the terms and in the manner contemplated by the Agreement.

(b) The respective indemnities, agreements, representations, warranties and other statements of the Company or its officers and of the Underwriters set forth in or made pursuant to this Agreement will remain in full force and effect regardless of any investigation or statement as to the results thereof, made by or on behalf the Underwriters, the Company or any of their respective representatives, officers or directors or any controlling person, and will survive delivery of and payment for the Shares. If the purchase of the Shares by the Underwriters is not consummated for any reason other than solely because of (i) a material default of the Underwriters’ obligations hereunder or (ii) the termination of this Agreement pursuant to Section 6(a)(ii), Section 6(a)(iii), Section 6(a)(iv), Section 6(a)(v), Section 6(a)(vi) or Section 6(a)(vii), the Company shall reimburse the Underwriters for all out-of-pocket expenses (including fees and disbursements of counsel) reasonably incurred by the Underwriters in connection with the offering of the Shares and the other transactions hereunder, and the respective obligations of the Company and the Underwriters pursuant to Section 7 hereof shall also remain in effect. In addition, if any Shares have been purchased hereunder, the representations and warranties in Section 3 and all obligations under Section 4 and Section 5 shall remain in effect.

7. Indemnity.

(a) The Company agree to indemnify, defend and hold harmless each Underwriter and its affiliates, and their respective directors, officers, partners, members, employees, representatives and agents, and any person who controls an Underwriter within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act, from and against any loss, expense, liability, damages or claim (or actions in respect thereof) (including without limitation, reasonable attorneys' fees and any and all reasonable expenses whatsoever incurred in investigating, preparing or defending against any litigation, commenced or threatened, or any claim whatsoever, and any and all amounts paid in settlement of any claim or litigation) which, jointly or severally, an Underwriter or any such controlling person may incur under the Securities Act, the Exchange Act or otherwise, insofar as such loss, expense, liability, damages or claim arises out of or is based upon any untrue statement or alleged untrue statement of a material fact contained in the Preliminary Prospectus, the Disclosure Package, any Issuer Free Writing Prospectus, the Company's Road Show presentation or materials or the Final Prospectus, or arises out of or is based upon any omission or alleged omission to state a material fact necessary to make the statements made therein, in the light of the circumstances under which they were made, not misleading, except insofar as such loss, expense, liability or claim arises out of or is based upon any untrue statement, alleged untrue statement, omission or alleged omission of a material fact contained in and in conformity with information furnished in writing by an Underwriter through the Representatives to the Company expressly for use in the Preliminary Prospectus, the Disclosure Package, any Issuer Free Writing Prospectus, the Company's Road Show presentation or materials or the Final Prospectus (that information being limited to that described in the last sentence of Section 7(b) hereof). (b) Each Underwriter, severally and not jointly, agrees to indemnify, defend and hold harmless the Company and its affiliates and its respective its directors, officers, partners, members, employees, representatives and agents, and any person who controls the Company within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act, from and against any loss, expense, liability, damages or claim (or actions in respect thereof) (including without limitation, reasonable attorneys' fees and any and all reasonable expenses whatsoever incurred in investigating, preparing or defending against any litigation, commenced or threatened, or any claim whatsoever, and any and all amounts paid in settlement of any claim or litigation) which, jointly or severally, the Company or any such person may incur under the Securities Act, the Exchange Act or otherwise, insofar as such loss, expense, liability or claim arises out of or is based upon any untrue statement, alleged untrue statement, omission or alleged omission of a material fact contained in the Preliminary Prospectus, the Disclosure Package, any Issuer Free Writing Prospectus, the Final Prospectus, or the Company's Road Show presentation that was made in reliance upon and in conformity with information furnished in writing by an Underwriter to the Company expressly for use in the Preliminary Prospectus, the Disclosure Package, any Issuer Free Writing Prospectus, or the Final Prospectus (or in any amendment or supplement thereof), such information being limited to the following: the third sentence of the third paragraph, the twelfth paragraph, the thirteenth paragraph and the fourteenth paragraph of the section entitled "Underwriting" (collectively, the "Underwriter Information").

(c) If any action is brought against any person or entity (each, an "Indemnified Party"), in respect of which indemnity may be sought pursuant to Section 7(a) or Section 7(b) above, the Indemnified Party shall promptly notify the party(ies) obligated to provide such indemnity (each, an "Indemnifying Party") in writing of the institution of such action, and the Indemnifying Party shall assume the defense of such action, including the employment of counsel and payment of expenses; provided that the failure to notify the Indemnifying Party will not relieve the Indemnifying Party from any liability which the Indemnifying Party may have to any Indemnified Party(ies), unless and to the extent the Indemnifying Party did not otherwise know of such action and such failure results in the forfeiture by the Indemnifying Party of rights and defenses that would have had material value in the defense. The Indemnified Party(ies) shall have the right to employ its or their own counsel in any such case, but the fees and expenses of such counsel shall be at the expense of the Indemnified Party(ies), unless (i) the employment of such counsel shall have been authorized in writing by the Indemnifying Party in connection with the defense of such action, (ii) the Indemnifying Party shall not have employed counsel to have charge of the defense of such action within a reasonable time, or (iii) such Indemnified Party(ies) shall have reasonably concluded that counsel selected by the Indemnifying Party has an actual or potential conflict of interest or there may be defenses available to the Indemnified Party(ies) which are different from or additional to those available to the Indemnifying Party (in which case the Indemnifying Party shall not have the right to direct the defense of such action on behalf of the Indemnified Party(ies)), in any of which events such fees and expenses shall be borne by the Indemnifying Party and paid as incurred (it being understood, however, that the Indemnifying Party shall not be liable for the fees and expenses of more than one separate firm of counsel (in addition to local counsel) for the Indemnified Party(ies) in any one action or series of related actions in the same jurisdiction representing the Indemnified Party(ies) who are parties to such action). Notwithstanding anything in this paragraph to the contrary, the Indemnifying Party shall not be liable for any settlement of any such claim or action effected without its written consent. The Indemnifying Party shall have the right to settle any such claim or action for itself and any Indemnified Party(ies) so long as the Indemnifying Party pays any settlement payment and such settlement (A) includes a complete and unconditional release of the Indemnified Party(ies) from all losses, expenses, claims, damages, injunctions, liability and other obligations with respect to any claims that are the subject matter of such action, and (B) does not include a statement as to, or an admission of, fault, culpability or a failure to act by or on behalf of the Indemnified Party(ies).

(d) If the indemnification provided for in this Section 7 is unavailable to an Indemnified Party in respect of any losses, expenses, liabilities or claims referred to therein, then each applicable Indemnifying Party, in lieu of indemnifying such Indemnified Party, shall contribute to the amount paid or payable by such Indemnified Party as a result of such losses, expenses, liabilities, damages or claims (i) in such proportion as is appropriate to reflect the relative benefits received by the Company, on the one hand, and the Underwriters, on the other hand, from the offering and sale of the Shares, or (ii) if the allocation provided by clause (i) above is not permitted by applicable Law, in such proportion as is appropriate to reflect not only the relative benefits referred to in clause (i) above but also the relative fault of the Company, on the one hand, and of the Underwriters, on the other hand, in connection with the statements or omissions which resulted in such losses, expenses, liabilities, damages or claims, as well as any other relevant equitable considerations. The relative benefits received by the Company, on the one hand, and the Underwriters, on the other hand, shall be deemed to be in the same proportion as the total proceeds from the offering (net of the underwriting commission but before deducting expenses) received by the Company bear to the discount and commission and fee received by the Underwriters. The relative fault of the Company, on the one hand, and of the Underwriters, on the other hand, shall be determined by reference to, among other things, whether the untrue statement or alleged untrue statement of a material fact or omission or alleged omission relates to information supplied by the Company or by the Underwriters, and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission. The amount paid or payable by a party as a result of the losses, claims, damages and liabilities referred to above shall be deemed to include any legal or other fees or expenses reasonably incurred by such party in connection with investigating or defending any claim or action.

(e) The parties hereto agree that it would not be just and equitable if contribution pursuant to this Section 7 were determined by pro rata allocation or by any other method of allocation which does not take account of the equitable considerations referred to in Section 7(d) above. Notwithstanding the provisions of this Section 7, the Underwriters shall not be required to contribute any amount in excess of the amount (if any) by which its underwriting commission related to the Shares exceeds the amount of any damages which the Underwriters have otherwise been required to pay. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation.

(f) The indemnity and contribution agreements contained in this Section 7 and the covenants, warranties and representations of each of the Company and the Underwriters contained in this Agreement shall remain in full force and effect regardless of any investigation made by or on behalf of each Underwriter or its affiliates, or their respective directors, officers, representatives and agents, or any person who controls an Underwriter within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act, or by or on behalf of the Company or its affiliates, or their respective directors, officers, partners, members, employees, representatives and agents, or any person who controls the Company within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act, and shall survive any termination of this Agreement or the sale and delivery of the Shares. Each party hereto agrees promptly to notify the other party in writing of the commencement of any litigation or proceeding against it and, in the case of the Company, against any of its officers and directors, in connection with the sale and delivery of the Shares, or in connection with the Disclosure Package and/or the Final Prospectus, provided that the failure to notify the Indemnifying Party will not relieve the Indemnifying Party from any liability which the Indemnifying Party may have to any Indemnified Party(ies).

(g) The obligations of the parties to this Agreement contained in this Section 7 are not exclusive and shall not limit any rights or remedies which may otherwise be available to any indemnified party at law or in equity.

(h) Notwithstanding any other provision of this Section 7, no party shall be entitled to indemnification and contribution under this Agreement in violation of Section 17(i) of the Investment Company Act.

8. Default by One or More of the Underwriters

If one or more of the Underwriters shall fail at the Closing Time or a Secondary Closing Date to purchase the Shares which it or they are obligated to purchase under this Agreement (the “Defaulted Shares”), the Representatives shall have the right, within 24 hours thereafter, to make arrangements for one or more of the non-defaulting Underwriters, or any other underwriters, to purchase all, but not less than all, of the Defaulted Shares in such amounts as may be agreed upon and upon the terms herein set forth; if, however, the Representatives shall not have completed such arrangements within such 24-hour period, then:

(a) if the number of Defaulted Shares does not exceed 10% of the number of Shares to be purchased on such date, each of the non-defaulting Underwriters shall be obligated, severally and not jointly, to purchase the full amount thereof in the proportions that their respective underwriting obligations hereunder bear to the underwriting obligations of all non-defaulting Underwriters, or

(b) if the number of Defaulted Shares exceeds 10% of the number of Shares to be purchased on such date, this Agreement or, with respect to any Secondary Closing Date which occurs after the Closing Time, the obligation of the Underwriters to purchase, and the Company to sell, the Option Shares to be purchased and sold on such Secondary Closing Date shall terminate without liability on the part of any non-defaulting Underwriter.

No action taken pursuant to this Section 8 shall relieve any defaulting Underwriter from liability in respect of its default.

In the event of any such default which does not result in a termination of this Agreement or, in the case of a Secondary Closing Date which is after the Closing Time, which does not result in a termination of the obligation of the Underwriters to purchase and the Company to sell the relevant Option Shares, as the case may be, either the (i) the Representatives or (ii) the Company shall have the right to postpone Closing Time or the relevant Secondary Closing Date, as the case may be, for a period not exceeding seven days in order to effect any required changes in the Registration Statement, the Disclosure Package or the Final Prospectus or in any other documents or arrangements. As used herein, the term “Underwriter” includes any person substituted for an Underwriter under this Section 8.
